

Donovan Lim

Donovan Lim currently takes care of various whisky brand profiles and creating experiential brand experiences. His understanding of cocktails and mixology experience acquired during his time working behind the bar has inspired and motivated him to bring the bar experience out to the people by bringing the bar experience to them. Donovan took part in many cocktail competitions to showcase his creation and spread his passion for mixology. Through conducting tasting and cocktail masterclasses, Donovan believes that the art of cocktail is not just about the drinks, it's the experience.

Donovan is currently a William Grant & Sons Specialist.
